

1. From a northern direction on the BAB 3 Oberhausen-Köln-Frankfurt

At the Heumar junction turn right onto the BAB 59 in the direction of Flughafen Bonn.
 Take the exit marked Heumar/Rath and turn right.
 Pass through the traffic lights (B 8) and follow the road.
 After approx. 2 km at the traffic lights turn left onto Hauptstrasse.
 Follow the Hauptstrasse for approx. 1 km (slight right turn).
 At an acute angle turn left onto Poststrasse.
 You will see the field site (compressor station) directly behind the radio mast on your left.

2. From a southern direction on the BAB 3 Frankfurt-Köln

At the Bonn/Siegburg junction change to the BAB 560 in the direction of Siegburg.
 At the St. Augustin West junction change to the BAB 59 in the direction of Flughafen, Köln, until you reach the exit marked Köln-Lind.
 Turn right onto Frankfurter Strasse, pass through the roundabout and continue into the town of Porz-Wahn.
 Continue through the intersection until you will see the sign marking the exit from the town on your left.
 After approx. 200 m the new ICE rail line coming from the airport crosses Frankfurter Strasse.
 After another approx. 200 m turn left onto a road without a street sign.
 Follow the road, pass below the railway until you will see the field site (compressor station) on your right after approx. 1.5 km.
